## Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness yield to Electric Bitters. 50 cents and \$1.00 per bottle at Fred A. Legg's Drug store.

## A Foregone Conclusion.

The steady determination of the farmers and business men of Marion county to make John Lewis our assessor, is plainly the result of hard times as well as his undoubted popularity. The need of the honesty, economy in office and practical ability, forces the abolition of party lines in county affairs, and make the election of a man like John Lewis a foregone conclusion.

## When Baby was sick, we gave her Castoria.

When she was a Child, she cried for Castoria.

When she became Miss, she clung to Castoria.

When she had Children, she gave them Castoria.

## Butter, cream, milk, vegetables and fruit should be the best to make a good meal, and it is for this reason that Westcott & Irwin raise their own at their ranch east of Salem.

Candidates and hundreds of voters will take their meals at Strong's restaurant.

## SAMPLE BALLOTS.

THE JOURNAL prints a fac simile of the official ballot.

Readers are advised to cut it out and make themselves familiar with the names.

The Republican candidates are marked with a cross.

Sample ballots from the county clerk's office, are also to be had at this office by all who call.

The "Star & Star" shoes are the standard of quality. Their fit and style is unsurpassed. The New York Racket sells them cheap. 2d 1w

## JOURNAL "X" RAYS.

Directed Upon Persons Prominent Before the Public.

The Texas cyclone has struck Missouri.

Gentlemen, quit relying on Providence and conferences and go to work.

The D'Arcy-Barkley mill without gloves at Reed's opera house Friday evening.

Heritage as usual played a full hand at the Reed last night. He talked horse sense.

Elder Barkley, J. M. Wallace and Moritz Klinger would make solid trustees of "New Willamette".

What Oregon needs is better support of colleges, and less gambling and horse racing at State fairs.

Two of the Democratic legislative candidates are to withdraw. Withdraw is better than to be withdrawn.

The beautiful orange color of the Statesman Editor's topknot should lead no one to calling him a Missouri copperhead.

How can reforms in our county and state government proceed from "the only organ," and that conducted by a band of robbers?

The Post today has this man beaten; tomorrow that man; anyone who wants to be elected for sure should see the publishers before it is too late.

Rev. Gwynne laid the blame on Providence. How does he explain the boom of the musical department? Is it Heritage, Winkler and Providence in partnership.

The Democratic Eugene Guard says facetiously: "From present indications. Rev. Driver will not know, after the votes are counted, that he was in the senatorial race."

It isn't Populism; it isn't Democracy. It is the protest of the people against the Cleveland gold bond policy and the British gold standard that is the lash of politics in Oregon.

Of course, the millionaire silvermine owners are putting up for the unholy alliance in Oregon. The gold mine millionaires are not putting up for the Statesman and Oregonian. They own them already.

Of course, Vandenberg is an anarchist. He favors no jobs in the legislature. He wouldn't even give John P. Robertson a clerkship. Out with such a man!

As Salem has no Democratic or Populist paper, and only one Republican organ, THE JOURNAL is still open to all candidates to place their merits before the people at 10 cents a line.

The efforts of some of Jack D'Arcy's friends to pack the opera house in his interest Friday night is unwise. Elder Barkley's friends will want to be there too and the Reed won't hold them all.

Messrs. Trustees: Put your colleges on the broad basis of non-sectarian education only—not non-Christian—and the rest of it will boom just as the athletic and musical departments do where sectarianism cuts no ice.

The trouble with a plain hard-fisted country boy, like John W. McKinney, is that he blurted out a cold, cold chunk of truth, when he called the Statesman man "a d—d robber."

Jefferson Myers, Democratic candidate for congress will, with the Statesman's assistance, get a good many Republican votes in Salem. It says he is the only free silver candidate and that Vandenberg is the fatist.

The Morning Robber has on its seventh page two columns of the New York Reform club's plate matter in the interest of British goldbugism. The only Republican organ!

The disgraceful fight the Populists are making on Lorenz Ehlen will make him vete. He is this, and he is that; he treats the Germans to beer and the Irish to whiskey! These are some of the lies told on a model official, and the only German-American on the ticket.

## AUMSVILLE.

A great many went to Salem from Aumsville and vicinity to see and hear Coxy. We are not in the crowd.

The past week has been very favorable for farm work and all those not too much interested in politics have been improving it.

Mr. C. Traver has moved his family to Berry where he will be during the summer engaged in logging. He is a first-class citizen and we regret his departure from this neighborhood.

Aumsville will celebrate the 4th of July in great shape this year. All the people are taking hold in their usual active manner which will insure success.

Our neighbor Aug. Albus has purchased a family carriage and will be able to take more comfort when he travels in the future.

Mr. Farnum has moved out of the house he recently sold to Sherm Swank and is now living in the house recently occupied by Mr. Walt.

Aumsville will attend Memorial services at Turner, Saturday, the 30th.

The Hunkadora ticket take well in these parts, but the straight Republican will lead them all this year so we believe.

Marvelous Results

From a letter written by Rev. J. Gunder man, of Dinondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in result." Trial bottles free at Fred A. Legg's Drug Store. Regular size 50 cents, and \$1.00.
